OFFICE OF THE COMPTROLLER, MYSORE GOVERNMENT,

Dated Bangalore, the 14 November 1905.

FROM

COMPTROLLER, MYSORE GOVERNMENT

To

B.K. Venkatavarada Iyengar, Esq,
SECRETARY TO THE GOVERNMENT OF MYSORE,
General and Revenue DEPARTMENTS.

SIR,

With reference to the Manual of Account Rules for the Bangalore City Municipality, a draft of which is now under preparation in this office, I observe that a copy of the Draft Municipal Regulation was forwarded to Mr. Eagles with Government letter No. 4708 dated the 2nd December 1904, for his guidance in the preparation of the account Rules.

2. Clause 170 of the Draft Regulations regarding the appointment and remuneration of an auditor is apparently based on the corresponding provision in the Bombay Municipal Act and it has been assumed in my office that it is the intention of Government on the introduction of the New Regulations to relieve the Comptroller's office of the duty of detailed audit and of maintenance of accounts.

It is not clear to me that the above assumption is correct. No where in British India are Municipal Accounts audited in a Government Account Office but in Mysore the arrangement is quite peculiar and Municipalities and Local Funds are all required to submit their monthly cash transactions with vouchers to my office for audit and record. It is therefore clear that if it is the intention to continue this arrangement after the new Regulations are passed, the proposed account rules would be materially different from what they would be if the Bombay system is introduced in its entirety.
